ANGELS: Amy's Ballet Basics Mondays at 6PM
CANDIES: Amy's Kinderdance I/II Tuesdays at 4PM

Photographs: Pictures will take place 45 minutes before the children perform in their first show of the Nutcracker. Children should be in costume and wait for Meghan Archer to come and get each group to go on stage for photographs. We would like parents present for these pictures on stage, but we will need to do these in a timely manner, so we ask that parents stay in the wings as we take pictures. These pictures will not be in full make up, but in full costume.

Makeup: We are requesting that parents use black mascara from home to put on the upper and lower lashes before they come down to the theater. Our staff will take care of getting eyeshadow, blush, and lipstick all in the same color palette. Do not worry about spreading germs with our makeup. We will be using Q-tips to apply all makeup!
