ADMINISTRATION/OFFICE POLICIES

Registration fee(s) and first three months of tuition must be received to be considered enrolled and space reserved in the dance classes. In extreme circumstances, Dance Gallery will assist you in developing a payment plan for your family, although our billing system will be based on a trimester schedule. Payments due during the following weeks...

- 1st payment due at the time of summer registration
- 2nd payment due Nov 30-Dec. 5th, 2009
- 3rd payment and Recital Fees due March 1-6, 2010

Because we limit our enrollment, Dance Gallery has certain payment expectations.

- Tuition is expected to be paid in full by the end of the first week listed above to keep your space in class.
- Two weeks before the trimester payment is due, you will receive a bill and any information needed to keep you updated on the studio calendar of events.
- Dance Gallery does not pro-rate, refund, or credit for missed classes, although we encourage dancers to take "make-up" classes for missed classes.
- Dance Gallery accepts cash, checks, VISA and Master Card

DANCE GALLERY LOWER SCHOOL PROGRAM (3-9 YEARS OLD)

The schedule in this brochure displays options for children ages 3-9 years old. Classes offered to this age group are ballet, tap, jazz, hip hop, lyrical, Broadway, and junior liturgical dance. At this age level, some classes will be offered in combination (see Wednesday classes that are shaded). This is a perfect way to expose children to multiple class formats at a reduced price. To enroll your child in a class, complete a carbon copy registration form available at Dance Gallery, and submit the enrollment to the Dance Gallery office with the registration fee, and first trimester of tuition (3 months). Classes begin the day after Labor Day.

We request that you visit us in person to register for classes so that we can answer your questions and meet you! We look forward to working with you on your child's dance education!
